

Dear Participants and Faculty Members,

We look forward to welcoming you to the EAPS 2020 Virtual Congress which will take place online from 08:00 CEST on October 16-19, 2020. The very first of its kind, EAPS 2020 will be the best way to get all the latest updates and developments in the field this year. Below you will find useful information which will facilitate your participation and experience.

HOW TO JOIN

Please use the login details you will be sent from the Registration Department on October 12 to enter the virtual Congress:

Link: <https://eaps2020.kenes.com/virtual-login/>

Please note: The registration details are for sole use and are not transferable.

The Congress starts on Friday, October 16, 08:00 (Central European Summer Time).

The virtual Congress platform will be accessible from October 16, 07:00 AM (CEST). Please do not try login prior to this date and time, as you will not have access to the Congress platform.

BOOST YOUR VIRTUAL EVENT EXPERIENCE IN 4 STEPS

Be Prepared

As you would plan your trip to the event, similarly, prepare your virtual attendance in advance. Block your calendar, schedule the sessions you want to view, especially the live ones, organise some time for networking and interaction.

Be Present

It is time to learn. Now that the event is taking place, do as you would if you were in the meeting hall – take a seat in a quiet area and dive into the latest news in your field.

Be Engaged

There is so much to do at a virtual congress! Make sure you are aware of all platform tools – live and recorded sessions, Q&A in real time, chat rooms, view and search among hundreds of abstracts, posters, discussions, and more. Get the most out of your EAPS experience.

Be Curious

You are no longer forced to block a few full days for the event. Balance the information stream according to your needs. All sessions will remain available for the next three months, so you will never miss a speaker again.

SCIENTIFIC PROGRAMME

All times in are in Central European Summer Time (CEST).

All sessions are available **on demand** throughout the entire Congress.

IMPORTANT INFORMATION FOR PRESENTERS

Note! If you are presenting in a live session, please note you need a minimum of 10 Mbps bandwidth.

30 min prior to the start of your session please enter the unique live link provided by e-mail.

- Kindly note - the first slide of your presentation should be a branded title slide with your name and your lecture title, and the second slide must be your disclosure slide. Please [click here](#) to download a template.
- If you are in a live session, please be sure to stick to the allocated time given to you for your talk.
- If you are in a live session or live Q&A session, be available to answer the participants' questions at the end of the live session. Delegates will be able to submit their questions via chat and the moderator will lead a live Q&A session involving all the speakers.
